### NATA

From NATA Website 9/7/17

Module 1 - Line Supervision & Training Management  
Module 2 - General Fuel Servicing  
Module 3 - Fuel Farm Management  
Module 4 - Refueler Safety  
Module 5 - Personal Protective Equipment  
Module 6 - Hazard Communication  
Module 7 - Fire Prevention and Evacuation  
Module 8 - Fire Safety

What should really be looked at is how SafetyPro follows the standard exactly as set forth in **Advisory Circular 150/5230-4B**

Included in both our Fuel Safety Supervisor and Line Fuel Service courses is a **COMPLETE** Aviation Fuel Quality Control course.
